THE PLACE TO

MAKE

STUDY 100% ONLINE
WITH THE UNIVERSITY OF SUSSEX
BUSINESS SCHOOL
Accredited by the Chartered Institute of Marketing (CIM), this flexible online Masters degree is perfect for you if you’re looking to get ahead in global marketing.

This International Marketing MSc is delivered by the University of Sussex Business School ranked within Top 25 in the UK for Marketing (Complete University Guide 2020). This course has a focus on digital marketing within a global context, and on the principles of sustainability and responsibility.

Through use of real-world case studies, you will work to create international marketing plans, analyse data and understand ethical marketing practices. You will build the skills to provide consultancy support from both within an organisation and as an external consultant. These skills, drawn heavily from the consultancy approach of leading firms, will enable you to provide “practical advice that works”. You will be able to use these skills to manage a project, which can be directly related to your workplace, delivering value directly to your employers.

Throughout your studies, you will engage in peer-to-peer learning, gaining a ready-made network of diverse, ambitious marketers from around the globe.

The course has been designed to give you the broad range of skills employers’ desire from marketing professionals, including:

- A deep understanding of digital marketing
- Marketing within a globalised environment
- Understanding of how to develop marketing strategies
- Data analysis and interpretation
The University of Sussex Business School is accredited by both EQUIS and AMBA and the International Marketing MSc is additionally accredited by the Chartered Institute of Marketing (CIM). Our accreditations represent our commitment to meeting the highest standards of learning to match your career goals.

Our work draws on management, economics, science, technology and innovation studies, to make positive impact on an international scale. We study the issues that matter, in order to transform our world and your future.

We are Top 10 in the UK for Business and Economics (Times Higher Education World University Rankings 2020) and third in the UK for research income 2015-2018 (Chartered Association of Business Schools).

“I’ve enjoyed the ability to connect with fellow students and academic teams from across the globe and appreciate that we all have similar interests and a language in common to ease communication and share experience and knowledge.”

Trese Foley, International Marketing MSc (online) student

AMBA is the global standard for MBA programmes and denotes the highest achievement in postgraduate business education.

EQUIS is the most comprehensive institutional accreditation system for business and management schools. It ensures a rigorous quality control against international standards.

The Chartered Institute of Marketing is the world’s leading professional marketing body. This recognition differentiates our learning from other universities around the world.
ONLINE LEARNING

MAKE CONNECTIONS ACROSS THE WORLD
The online global context of study is further enhanced by our diverse learning community, with students and academics joining the university from over 100 countries. You’ll access a wide professional network and create connections with professionals from around the world.

STUDY FROM ANYWHERE
Taught 100% online, you can benefit from Sussex’s expert teaching, informed by our world-leading research, from wherever you are in the world.

FLEXIBLE LEARNING
We have six entry points each year, allowing you to study at the most convenient time for you. You can step on and off the course if you need to take a break from your studies at any time*.

*Maximum study break applies
MODULES
All modules on this course are core and are designed to develop your strategic, analytical, management and consultancy skills. You’ll work closely with your cohort to enhance your global understanding of each module.

GLOBAL MARKETING MANAGEMENT
The module focuses on what being globally market orientated really means in practice. It aims to develop knowledge of the theories, concepts, models, techniques and current best practice for developing and implementing marketing in a globalised environment.

Module lead: Rene Moolenaar
Module tutor: Souroush Ahmadi

Types of assessments may include:
- International marketing plan
- Peer reviews

GLOBAL BUSINESS ENVIRONMENT
This module explores how businesses operate within global environments; reviewing the scale, scope and trends in international business activity and evaluating the methods organisations use to assess, enter and develop nondomestic markets.

Module lead: Souroush Ahmadi

Types of assessments may include:
- International business analysis
- Teamwork assessment

GLOBAL CONSUMER BEHAVIOUR
This module will develop your understanding of theories and concepts drawn from research in marketing psychology and how these shed light on consumers’ motivations and behaviors.

Module lead: Philip Jarman

Types of assessments may include:
- Decision-making analysis
- Written assessment
“I have a lot of commitments at home with family and running a business, the online format suits both my lifestyle and my choice of subject.”

Liana Naylor, Sussex Online Student

INTERNATIONAL BUSINESS AND MARKETING STRATEGY
In this module you will develop the key skills and tools for strategic analysis. You will learn how to analyse organisations within the macro and competitive environments, as well as an organisation’s own resources and capabilities.

Module lead: Mariachiara Restuccia

Types of assessments may include:
- Group presentation
- Individual reflections

MARKETING ETHICS
This module investigates the relationship between organisations and their stakeholder groups, and the social accountability and responsibilities that a corporation holds towards its different stakeholders.

Module lead: Alison McGregor

Types of assessments may include:
- Individual learning journal
- Individual assessment

MARKETING ANALYTICS & METRICS
This module introduces some principal methods for analysing data, both qualitative and quantitative, related to various aspects of marketing. The aim is to improve the quality of marketing decisions, by grounding those decisions in metrics.

Module lead: Federica Petruccelli

Types of assessments may include:
- Dataset review of case study using SPSS
- Analyse data set of case study
INTERNATIONAL BRANDING & COMMUNICATION STRATEGY
The goal of this module is to provide you with the knowledge required to understand and develop your skills in marketing communications in both domestic and international cross-cultural settings.

Upon completion of the module, you will be able to critique, select and apply conceptual tools, models, concepts and theories.

Module lead: Mariachiara Restuccia

Types of assessments may include:
- Written essay
- Consultancy proposal

BUSINESS ANALYSIS TOOLS & MANAGING CONSULTANCY PROJECTS
This module aims to improve your consultancy skills, enabling you to provide “practical advice that works” for your current or future workplace or clients.

Module lead: Kevin Masters

Types of assessments may include:
- Written essay
- Consultancy proposal

INTERNATIONAL MARKETING MS c

DIGITAL MARKETING
This module provides a critical understanding of the key concepts and fundamental challenges of digital marketing; the impact of the internet and digital technology on the traditional marketing mix; how digital technology impacts marketing strategies and consumers; social media; customer relationship management (CRM) systems and customer first approaches and the challenges and changes we will face as future technology develops.

Module lead: Mona Rashidirad

Types of assessments may include:
- Written blog
- Written report

ANALYSIS AND CONSULTANCY PROJECT PART 1 & 2
This module enables you to put into practices the skills and knowledge gained from your degree on a project of your choosing. This can be directly related to your workplace, delivering value directly to your employers. You will develop the practical and analytical skills needed to provide consultancy services from both within a business unit and as an external partner.

The Analysis and Consultancy Project module is worth 30 credits and involves 14 weeks of study in total. Part 2 must be studied directly after part 1 without taking any breaks.

Module lead: Kevin Masters

Types of assessments may include:
- Two written assessments
- Chosen project

The University of Sussex regularly reviews modules to provide the most innovative and relevant courses of study. As a result, module offerings may change. The information in this leaflet is correct at the date of publication, but please keep an eye on our website for the most up-to-date course information.
ENTRY REQUIREMENTS
A lower second-class (2.2) undergraduate honours degree or above from any UK university or international equivalent.

Students with relevant professional experience may also be considered for entry to this course.

Please visit https://study-online.sussex.ac.uk/how-to-apply-for-online-masters-university-of-sussex/ for further guidance.

FEES AND FUNDING

Course fee: £11,750

Cost per module: £980*

* Modules 1 - 10 cost £980, module 11 is a double module that can be paid in 2 parts, £980 and £970

Students can take a break in study after each seven week module. This applies to all modules except for the Analysis and Consultancy Project Part 1 and 2. This is a double module of 30 credits involving 14 weeks of study in total. This means you must study part 2 straight after part 1 without taking any breaks in study.

You can pay for the module in 2 parts, splitting the payments by:

• Paying the first half at the start of module 11.

• Pay the balance by the final week of teaching. Any students who fail to pay by this time will have their final assessment and overall module mark withheld until payment has been made.
