OF SUSSEX

# ABOUT THE COURSE

Delivered from Sussex's double accredited Business School, our flexible online Masters is designed for aspiring global marketing leaders.

The International Marketing MSc (online) is a response to the globalised business world and the need for marketers with the skills to develop fully integrated strategies for diverse countries and cultures.

With 10 globally focused modules, our Masters programme has been designed to build this sought-after expertise, helping you stand out and advance your career in a highly competitive field.

The course also has a strong focus on data analysis – equipping you with the technical and strategic skills required of decision-makers. Through practical exercises using best-in-class analytics software, you'll learn how to source, track and interpret key metrics, helping you develop robust marketing plans grounded in data.

The course concludes with a practical consultancy project. You can conduct this for your workplace or an organisation of your choice, offering the chance to demonstrate your new skill set and leadership ability to current or future employers.

Throughout your studies, you will engage in peer-to-peer learning with a multinational student cohort, gaining a ready-made network of diverse and ambitious marketing professionals.

Finally, our online International Marketing Masters is accredited by The Chartered Institute of Marketing (CIM) for the purpose of gaining CIM qualifications through the Graduate Gateway.

The course has been created with career development in mind, giving you the skills and insights required of senior marketers, including:

- an ability to develop global marketing strategies
- data analysis and interpretation
- contemporary digital marketing expertise
- an understanding of marketing ethics.

# THE BUSINESS SCHOOL

# KEY INFORMATION

## ENTRY REQUIREMENTS

A lower second-class (2.2) undergraduate honours degree or above from any UK university or international equivalent.

Students with relevant professional experience may also be considered for entry to this course.

Find further information on applying for our online Masters in our [how-to guide](#).

## FEES AND FUNDING

**Total course fee:** £12,240

**Cost per module:** £1,020

Students can take a break in study after each seven-week module. This applies to all modules except for the Analysis and Consultancy Project Part 1 and 2.

This is a double module of 30 credits involving 14 weeks of study in total. This means you must study part 2 straight after part 1 without taking any breaks.

You can pay for the module in 2 parts, splitting the payments by:

- paying the first half at the start of module 11.
- paying the balance by the final week of teaching.

Any students who fail to pay by this time will have their final assessment and overall module mark withheld until payment has been made.
